Microsoft PL-300 Certified Data Analyst with 4+ years of experience leading end-to-end BI initiatives and building scalable Power BI, Excel, SQL, Python, Snowflake, Azure Data Factory, and Microsoft Fabric solutions. Proven track record owning dashboard delivery from requirements to deployment, transforming 20M+ record datasets into executive dashboards, automated reporting, and KPI frameworks that drive data-driven decisions for government and enterprise stakeholders. Experienced in mentoring analysts and partnering directly with senior leadership (IAS officers, State Project Directors, CEOs) to translate business needs into scalable analytics solutions. Strong expertise in data modeling, DAX, ETL automation, and performance optimization, delivering measurable business impact through analytics.

TECHNICAL SKILLS

BI & Reporting: Power BI (DAX, Power Query, Data Modeling, RLS, Dataflows), Tableau, SSRS, Advanced Excel (PivotTables, Power Query, Data Cleaning), and Python (Pandas and Matplotlib)

Databases & Warehousing: SQL Server, Azure SQL Database, BigQuery, Snowflake, Microsoft Fabric, and MS Access

Integration & Automation: Azure Data Factory, Power Automate, VBA, DOMO, and Alteryx

AI TOOLS

- [Power BI Wireframe Builder](#) - Build for Product Delivery Managers and Team Leads reducing dashboard design-to-delivery cycle time.
- [Power BI \(PL 300 Preparation Tool\)](#) - AI-powered PL-300 preparation platform with adaptive quizzes, explanations, and progress tracking.
- **DAX Slayer** - Power BI External Tool that identifies unused DAX objects, visual dependencies, and enables safe semantic model cleanup.

PROFESSIONAL EXPERIENCE

Data Analyst

Apr 2025 – Present

ConveGenius.ai | Shimla, Himachal Pradesh

- Managed, transformed, and analyzed 20M+ records per dataset across Government of Himachal Pradesh, Gujarat, Telangana, and Sikkim education programs, ensuring high data quality, accuracy, and reliability for strategic decision-making.
- Developed and maintained executive Power BI dashboards, automated reporting solutions, and KPI monitoring frameworks used by IAS officers, State Project Directors, and senior government stakeholders to drive data-backed policy and operational decisions.
- Designed and deployed an interactive [Power BI Wireframe Builder](#) adopted by Product Delivery Managers, reducing dashboard design-to-delivery cycle time by ~38% and eliminating requirements ambiguity across cross-functional teams.
- Built a Government Finance & Contracts Dashboard consolidating data from 12+ state contracts, enabling leadership to monitor government revenue and reducing reconciliation effort by 27%.
- Developed a School Attendance Dashboard identifying schools below the 70% attendance threshold; dashboard-driven interventions improved average attendance by 22% across underperforming schools within two quarters.
- Mentored and guided 4 junior data analysts, establishing Power BI best practices and training the team to leverage AI tools (Claude) for report development, improving dashboard performance and reducing average report load times by 35% while cutting development time across the team's solutions.

Business Analyst

Nov 2024 – Present

Knack RCM | Mohali, Punjab

- Partnered with the Senior Director and managers (**National Distribution & Contracting Inc.**) to translate requirements into SQL Server queries and Power BI dashboards, giving the CEO and vendor-clients real-time insight for strategic decisions.
- Designed and maintained Power BI dashboards - Sales Trackers, Daily Performance Metrics, and Distributor Query Status — improving KPI visibility and reducing manual reporting time by 40%.

- Automated recurring reporting with VBA, Power Automate, and DOMO ETL pipelines, streamlining 4 reports (60% efficiency gain) and cutting manual processing time by 75%.
- Migrated MS Access reports to SQL Server and deployed them in SSRS with data engineers, improving report reliability and reducing refresh issues by 35%.

Medical Analyst

Dec 2022 – Oct 2024

Bolster Legal Services Pvt. Ltd. | Bangalore

- Conducted high-quality data extraction, collation, and analysis of medical data for **Jacoby & Meyers** and **The Law Offices of Larry H. Parker Inc.**, delivering 70+ comprehensive reports within stringent deadlines, which enhanced decision-making and case preparation efficiency.
- Utilized advanced Excel functions, PivotTables, and Power BI to analyze and visualize accidental injury datasets, improving accuracy by 40% and clarity in reporting.
- Built Power BI funnel dashboards tracking case progression (intake → settlement) and mentored 10+ interns to uphold data-analysis and reporting standards.

Drug Safety Associate II

Jan 2022 – Dec 2022

Parexel International India Pvt. Ltd. | Mohali, Punjab

- Developed a case-tracking dashboard monitoring pharmacovigilance case assignments and team workload, enabling managers to balance assignments and track Turnaround Time against SLAs — reducing assignment delays by ~25%.
- Delivered 100+ comprehensive reports for Novartis, surfacing actionable insights and trends that improved decision-making efficiency and informed strategic initiatives.
- Built a team-performance tracker and prepared executive PowerPoint summaries of monthly pharmacovigilance case volumes and processing metrics for senior management.

Junior Associate

Jan 2021 – Jan 2022

TransWeb Educational Services (Learnify) | Noida, Uttar Pradesh

- Performed detailed data analysis to identify and resolve financial discrepancies, managing PayPal and Stripe dispute cases in Excel and improving data accuracy via Google Sheets.
- Trained and supervised 5+ interns, ensuring accuracy and quality across data-management and analysis tasks.

EDUCATION & CERTIFICATIONS

M.Sc. Bioinformatics - GGSDS College, Panjab University, Chandigarh	2018 – 2020
B.Sc. Biotechnology (Hons.) - Postgraduate Government College, Panjab University, Chandigarh	2015 – 2018

CERTIFICATIONS & ACHIEVEMENTS

-
- [Microsoft Certified: Power BI Data Analyst Associate \(PL-300\)](#) - Renewed on: December 15, 2025 and Expires on: December 16, 2027.
 - **Star Performer (2x), Bolster Legal** - recognized for consistent excellence in data analysis and reporting operations.
 - **Quarterly Performer, Learnify** - awarded for driving process improvements and delivering strategic insights.
